Sheriff Wise:

Legislative Issues:

Speak with your legislators regarding:

1. Sexual Predators: The FSA supports legislation that would establish uniform regulations regarding the distance a sexual offender can live from specified locations where children are known to frequent (schools, daycare, playgrounds, etc)
2. Elimination of Juvenile Restraints in court: The FSA opposes legislation that would require the elimination of restraints in Courthouses around the state in both juvenile and adult cases
3. Early Release of Elderly Inmates: The FSA opposes legislation designed to release offenders early based on their attaining the age of 50 in order to save money

Post these items on the website

Forward to DFD members via email: completed 1-26-10
